Clerk for  
Judge Davis June 29, 2013

I am writing you  
my regards to my  
Attorney.

He is not doing his  
job. He is very  
ineffective. He hasn't  
done anything to help  
me on my case.

My life has been  
put in danger.

He has also violated  
Rules & conduct relating to  
the BAR Association,  
on rules that are  
illegal that could get  
his license revoked.

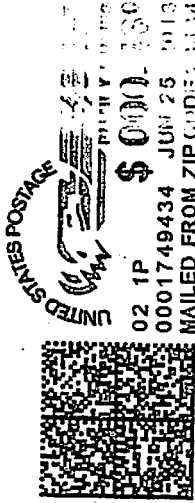

I want a new  
Attorney as soon as  
possible.

Sincerely

Michael Tucker
